Danville, Indiana 46122

Motor Vehicle Fire Investigation- 3 Days

This will be a 3-day Motor Vehicle Fire Investigation Course consisting of 24 hours of tested instruction in determining origin and cause of motor vehicle fires. Included in this course will be a live demonstration of vehicle fire utilizing the team concept. Students will “dig” an investigation of a vehicle fire scenario and construct a report to present their findings to the class.

Based on Chapter 26 of NFPA 921, topics will include vehicle investigation safety, fuel packages, ignition sources and vehicle systems and identification.

Students need to bring gloves, proper footwear, proper eye protection, and preferably wear a long sleeved shirt.

CFITrainer.net prerequisites MUST be completed before the first day of class:

Motor Vehicles: The Engine and the Ignition, Electrical and Fuel Systems
Motor Vehicles: The Transmission, Exhaust, Brakes and Accessory Systems
